CHANGES TO PLATFORM BASED ON CLASS SEMESTER EXPERIENCES

BUILDING CAPACITY

- Through personlaity styles and ledaership stlyes my platform needs to be more rich in how and why I will create my leadership team

ADMINISTRATIVE MOVE

- Creating change requires an administrator to know the move needed to start the chain reaction for change

CONNECTION TO PSEL

- Connecting the PSEL standards to my own thoughts and ideas that created my leadership platform will give depth

GROWTH IN LEADERSHIP CAPACITY

- Focus on personality styles
- Define my weakness and counteract with a team mate who has my weakness as a strength
- Build an effective team with different interpersonal skills
- Using personal capacity, interactions and interpersonal capacity and organizational capacity to create a better school community
